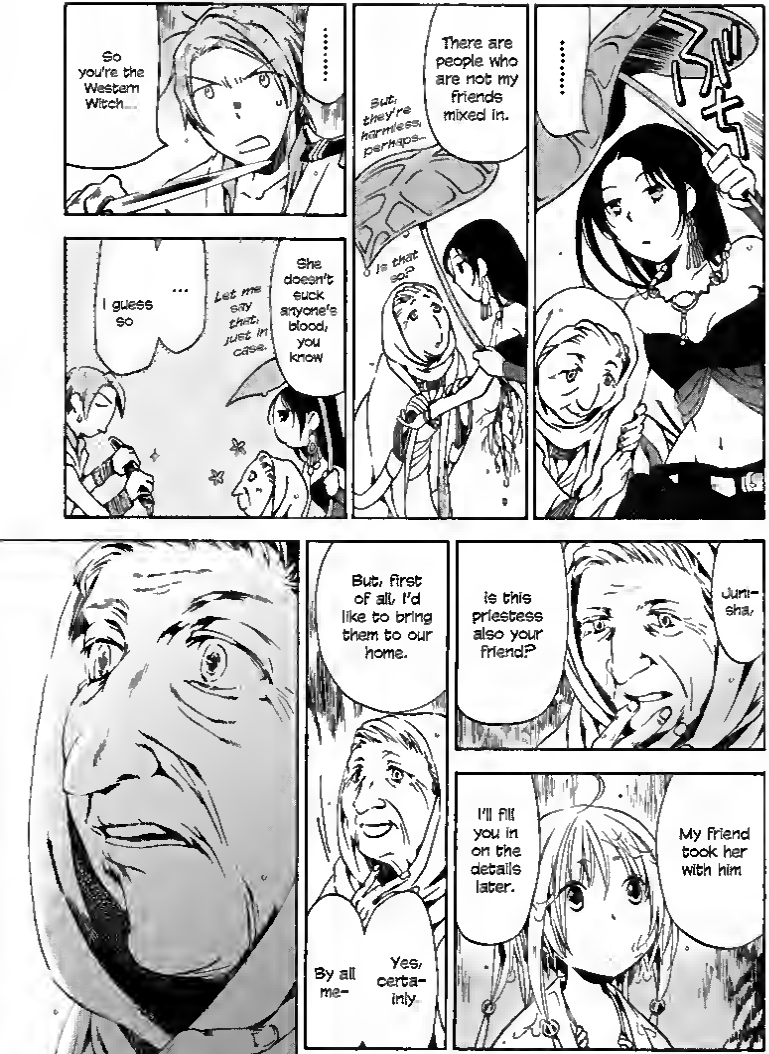
Why are you here...
Royal Priestess!
Ah!
Sonya!
Walking this far by yourself!
It's not good to have rain-water pouring on your old body.
I'm alright, Junisha.
The full moon has passed, my condition has stabilized. I feel good, today.
.....

Ah,
an introduction?
Sophia Platonovna Leonova.
The Witch of West Forest.
You're introducing me, right? Are they your friends? It's a pleasure to meet you, okay?

Chapter 8
Rainfall of Eternity



So you're the Western Witch...
.....
There are people who are not my friends mixed in.
But, they're harmless, perhaps--
Is that so?
.....
ふぅ
She doesn't suck anyone's blood, you know
Let me say that, just in case.
I guess so
...
But, first of all, I'd like to bring them to our home.
By all me-
Yes, certainly.
Is this priestess also your friend?
Jumisha,
My friend took her with him
I'll fill you in on the details later.

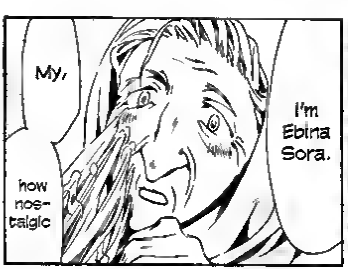
Y-
You...! That hair...!
You can't!
You can't have that hair...!!
That colour is-
Uggh!

T/N: Нет = Russian for "no"

No matter what, this colour...
you can't show it to anyone else!
Huh ?!

My! I...
Did I black out again?
Have you returned to your senses, Sonya?
Yeah, meanwhile, the rain has stopped
My, no way!
H-
huh?!
OW, OW, OW! IT HURTS!
Thanks to Sonya holding your head, the rain-water can't reach it.
It's attached firmly, so I had Ebina carry you on his back
Thanks to that, Sakurai cleared up the traps for us.
You should have done that from the start!
Other than that, the rest of the Mutin has been washed away by the rain, though.
"Ebina" ...?
CLATTER CLATTER

T/N Mutin = the name of the adhesive

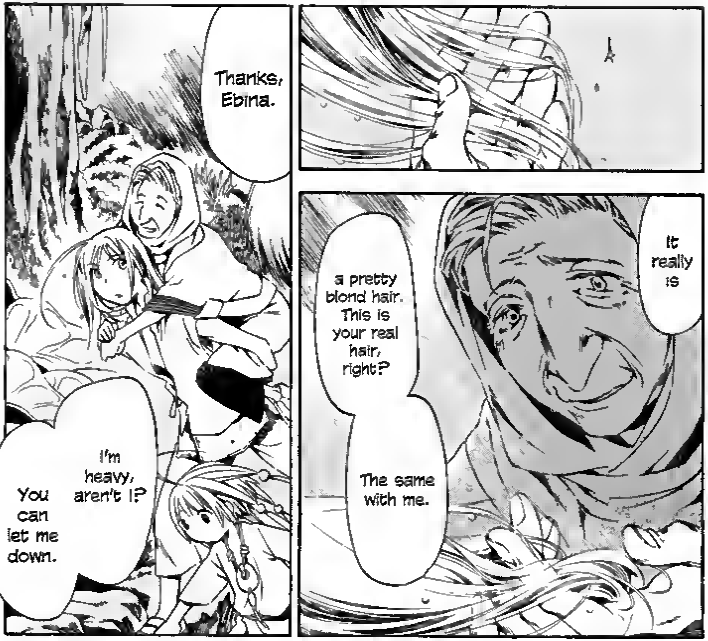


My,
how nostalgic
I'm Ebina Sora.

You're the one called Ebina?
?
Yes.

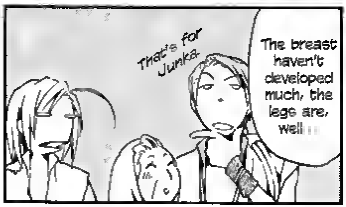
Yes, Ebina.
Ebina
?
Nice to meet you, Ebina
Nice to meet you.

SPLASH



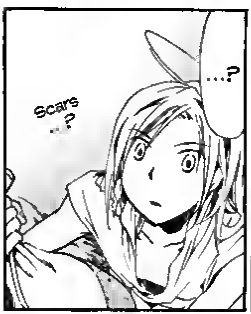
Thanks, Ebina.
I'm heavy, aren't I?
You can let me down.
It really is
a pretty blond hair. This is your real hair, right?
The same with me.

Eh,
but..
I feel better now
Moreover, this precinct is like my backyard, after all
Beyond this point?
Beyond this point, it'd be hard for a little child to walk on her own
Instead, help out that small child

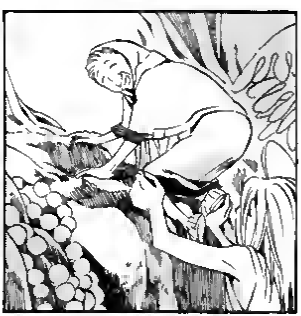


That's for Junka.
The breast haven't developed much, the legs are, well...

Higuchi...
My thank you

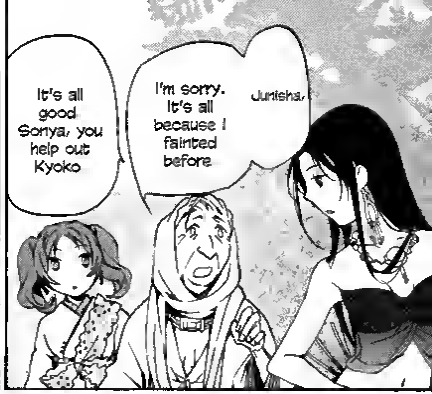


Scars...?
...?



This is taking longer than I predicted.
We have complete amateurs with us,
and yet, the traps will be the real deal, from here on ...
WAIT!
Ah, hey!
Hurry it up, Ebina!
It'll get dark soon.
The real deal?! What did you just say?!
RUMBLE RUMBLE
The closer we get to the inner citadel, naturally, the protections would also become harder.
Still...
Why did you set up these traps in the first place?!
RUMBLE RUMBLE
Because it's ... dangerous.
WHEE?! I can't hear you!
RUMBLE RUMBLE

Be careful not to step on that rock
Ebina, there are traps there too



Junisha, I'm sorry. It's all because I fainted before
It's all good Sonya, you help out Kyoko

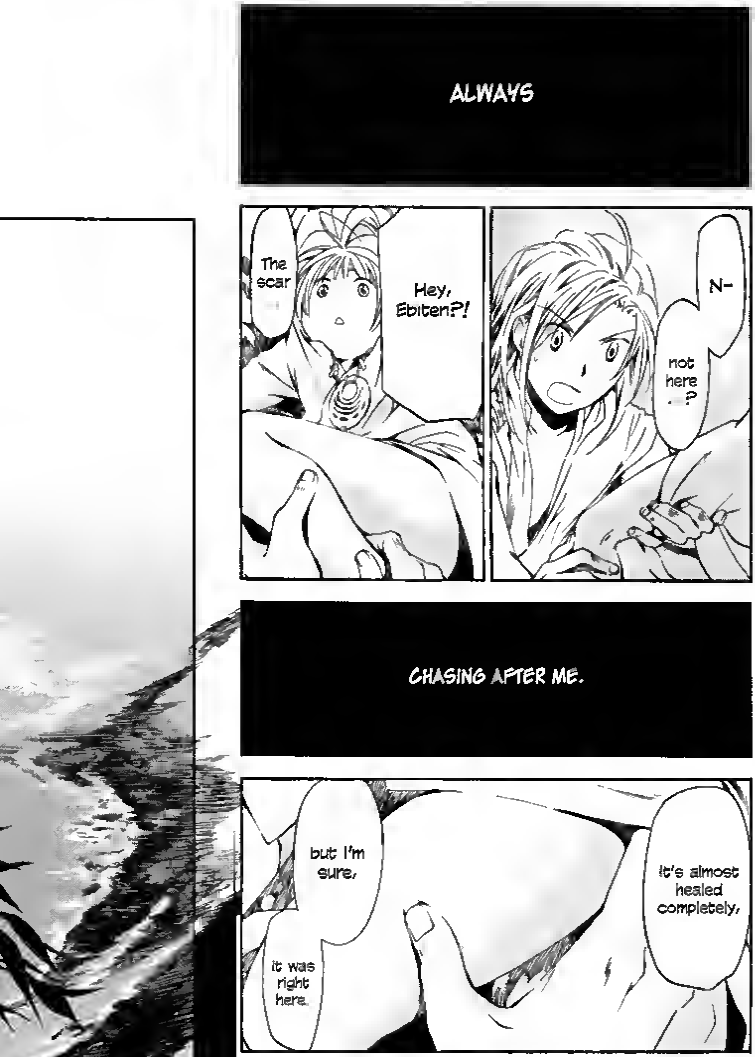
I-I can't look at her...
Ah, um, yes...

Not you, that child!

Come.

FLAP FLAP
Should that happen, we're doomed.
It'll get dark in a moment.
Be quick.
?
Isn't it still bright, right now?
GRAB
Let's hurry
PULL

GRAB



ALWAYS
The scar
Hey, Ebiten?!
N-
not here...?
CHASING AFTER ME.
but I'm sure,
it was right here.
It's almost healed completely,

FOLLOWING AFTER MY TRACKS,
AS IF SHE WAS AN EXTENSION OF MY SHADOW,
TILL THE TOWN BECAME DARK.

Idiot! Didn't I say that it's impossible for you?!
It hurts..!!
Just leave her alone.
Yukiya!
Sora! Call your father!
There are large shards of glass stuck in her leg.
If a doctor doesn't treat it soon...
En...

If you cry, the rain will fall, won't it?!
Come! Don't just sit there crying, get up!
She's bleeding a lot, and it seems dirt has also gotten in it.
If we don't hurry, the wound will become infected.
Just give it some disinfectant and it'll be okay.
Ehh, it's not that serious, is it?
Crying all the time, always giving me troubles
STUPID AN!
Ah, Yukiya, you come to my house too.
You haven't been there in a while, right? I bought a new game.
うわぁぁぁ
うぉーん
Waaaaaaah
Uwaaaaah
Aaaaghh

SLAP
Take care of her property.
You are her older brother, aren't you, Sora?

Wrong.
You're wrong.

nii-chan
O-
Ah,
you're not my SISTER.

キャー
GNYAAAAAAAA
AAAAAAAAAA
FLAP

Haa
Haa
Haa
What happened?!
An-nyan-sama~~~~!!
Ugh!
Onii-chan... Onii-chan...
Waaaaah
Onii-chan said I'm not his sis-terrrrr!!
うわあああん cuz
Waaaaaaaaaaaaah

That's right.
Knowing Ebi tandon's siscon, he loves his sister a lot ♥ It's well known even in school.
I, his classmate, guarantee it.
Onii-chan... Onii-chan loves An very much!!
CURL
It's a lie! It's just a dream!!
Ah, yes. I'm sure he's looking for you like some desperate pervert now.
Onii-chan loves An?! He's looking for An?!
Yep.
Really?! Do you really think so?!
JUMP
CRANK
It's a shameful appearance, An-nyan-sama~
Akiiiiii!!

Onii-chan...
...le also here, right?
Of course.
See how An-nyan-sama and I are also here?
We're talking about that Ebi tendon, after all.
Alright?
You, Aki! Don't be rude!!
Won't you hurry up and change An-sama's clothes?!
LIFT っ
Yeah, yeah, yeah, yeah!

Sheesh.
those Star Priestess are really noisy.
Star priestess?
Come on, now. They are the ones who wear headpieces and act so important all the time, you know.
They seem to know Japanese.
and have been scolding me non-stop ever since my arrival two months ago.
I see. Aki is having it hard too, eh?
Was Aki a priestess before too?
Nah, I'm just an apprentice.
Aki should just wear that uniform forever....
I don't know what you mean by that.
During my time here, I'm told to help with donning the dress.
Ngh, this is hard

I wonder if Onii-chan will recognize me?
He will!
Even if your hair is completely white or your face all mashed up!
A terrible person who looks exactly like An-nyan-sama,
we're in a deep trouble.
This surely means
had your hair dyed.
That person must be your double!
Ebi tendon will surely come running to you like a retard!
No matter what happens, it'll be okay!
You know,
Hmm?
Aki,
Yes?

Actually,
Onii-chan,
didn't say
that An isn't his sister.
You're the older brother, aren't you, Sora?
Are you okay, An-chan?
He called Father right away.

He casted a spell,
so that it won't hurt anymore, which mother taught,
Am,
here.
until father came,
all the time.

I think the decision to appoint the Japonese Aki to personally tend to her was correct.
T/N: she used Nifonj n instead of Nihonjin (Japanese)
Your Hoil-ness,
the senate has a gift to be presented to you.
T/N: Grand Noble priestess
Good.
Turn it away.
Until the festival, don't let anyone enter this palace.
Under-stood
That's why,
The thing just now was only a dream.
I know that it was only a bad dream.

More importantly, the arrangements for that matter,
finish it as soon as possible.
This year's grand festival should be held in a more extravagant manner than usual
Carry out a thorough and fast preparation
We shall do as you wish

Several hundreds years have passed,
the real grand festival shall be held once again!

anze-tekoga

その壱

テコガの一種で、大型の肉食動物。

水棲生物ではないが、湿潤な水辺の近くに棲むことを好み、水を飲みに来る小動物などを狙って捕獲する。

全身が黒青色であり、体液や肉まで青いため、天水神エマへの捧げ物として珍重され、硬い表皮や、顔の両翼についているヒレツノは高く売れる。

貴族の食通の間では、少しくせのあるしこり感が珍味として有名。神都には専門店もあるようだ。
